BENEFIT #2

Payroll

As much as your staff love what they do – they don't do it for free. Payroll – it needs to be on time, and it needs to be right. Gross Pay, Tips, Stat Holidays, EI, CPP, and Income Tax all need to be accurately calculated, and remittances to CRA made on time.

BENEFIT #3

Tax Compliance

Deadlines. Have you ever missed a filing deadline, and compounded a penalty on top of the stress? GST, PST, Payroll deductions, Liquor Tax, WorkSafe – it's a long list, and it all needs to meet deadlines.
